Coral Gables, FL

Expected May 2028

Projects

R+EC

Architecture Design VI

- Integrated active and passive cooling strategies, combining vertical fins, deep overhangs, and exterior circulation with mechanical systems to reduce conditioned load
- Detailed wall sections to resolve material assemblies and structural connections, translating design intent into constructible detail

Coral Gables, FL

January - May 2026

Deering Estate

Architecture Design V

- Designed an academic complex organized through thresholds, using breezeways, patios, and shaded outdoor rooms to shape form and circulation
- Developed building strategies that respond to site conditions and create a porous indoor-outdoor campus

Coral Gables, FL

October - November 2025

WORK & LEADERSHIP EXPERIENCE

Clarke Caton Hintz

Project Design Intern

- Completed redline revisions and detailed drafting tasks to support accuracy and consistency in construction documents
- Assisted in preparing and organizing construction drawing sets, ensuring compliance with project deadlines

Trenton, NJ

May 2025 - Aug 2025

Teaching Assistant

ARC 204, 101

- Provided design feedback and guidance to sophomore undergraduate students during studio sessions
- Supported project development through desk critiques, pin-ups, and review preparation

Coral Gables, FL

January 2026 - Present

Springdale Golf Club

Guest Service Attendant

- Greeted customers warmly and escorted them to their designated tables in a seamless manner
- Enhanced the visual appeal of plated dishes and promptly delivered orders to correct recipients

Princeton, NJ

June 2024 - Aug 2024
